Mr. William B. Lippard
Executive Secretary
The Associated Church Press

New York 16, New York

Dear Mr. Lippard:

I appreciate your kind letter of September 21. My delay in answering is due to the fact that I have been on a protracted visit to the Far North. I deeply regret that at this moment I cannot commit my making the talk to your convention which will be held next April. My present plans contemplate that I will be away from Washington at that particular time, but I appreciate your having thought of me and your friendly remarks about an address I made some years ago at the Quill Club.

Sincerely,

Allen W. Dulles
